I hereby authorize: 1. California Polytechnic State University to deposit my financial aid disbursement(s) via electronic fund transfer (EFT) and 2. My financial institution to credit this amount to my account. This authorization will remain in effect until canceled in writing. A new authorization must be completed if I change my account or change financial institutions. Note: I understand that the University needs five (5) business days to set up this authorization, and two (2) business days for direct deposit after funds become available. In the event that the exercise of this authorization for any reason results in an overpayment of financial aid actually due and payable to me, I hereby authorize the University to withhold a sum equal to the overpayment from my next financial aid disbursement. I understand that I may be subject to a financial aid billing, and collection costs if applicable, that I must repay to Cal Poly if I withdraw and have received financial aid via direct deposit in excess of my financial aid eligibility. If any action taken by me, without adequate notification to the Student Accounts Office, results in non-acceptance of the transfer by my financial institution, I understand that the University assumes no responsibility for processing supplemental financial aid until the funds are returned to the University by my financial institution.
