Exam time is determined by the start time of the lecture or seminar component of any course.

Lecture or seminar classes that meet in more than one lecture room during the quarter will hold their exam in a room announced by your instructor at the Room Conflict Resolution time listed above. Classes following a four day a week meeting pattern will meet at the MWF assigned final exam time. If your class does not meet any of the above definitions, please contact the University Scheduling Office at 756-2461 for assistance. Exams for activity, laboratory and discussion classes are held during the last regular class meeting. ***One-unit lecture classes hold their exam at the last regular class meeting to avoid scheduling conflicts.*** Common Final Exams may only be requested for three or more sections of the same class.
